Dear Friends of LIFT A VET,

On behalf of the LIFT A VET organization, we would like to take this opportunity to express our endorsement of the ongoing projects and fund raising activities of LIFT A VET. Our Mobility program will provide our veterans a chance to improve their safety and quality of life.

LIFT A VET is a non-profit organization established to assist Veterans in the U.S. and Puerto Rico through the challenges they may be facing linked to their military service. It is our mission to uplift veterans and their families through advocacy, education, and employment. Our vision is to equip veterans to inspire and lead the revitalization and transformation of their communities. To meet our mission and provide this essential assistance, we rely on the generosity of individuals and businesses for support. Without the help of community minded-individuals like you, we wouldn't be able to provide this support to veterans.

We ask that you make a commitment to support these veterans by making a cash donation. Our goal is to raise \$200,000 and we hope you will be able to make a contribution. Your generosity will allow us to provide additional electric wheelchairs, wheelchair accessible vans, and air transportation to those veterans in need.

You can contribute securely online by going to www.liftavet.org. Or you can mail checks to LIFT A VET, P.O. Box 205, Columbia, MD 21045. Your LIFT A VET contribution is tax deductible.

Thank you in advance for your support. Together we will continue to provide veterans a better quality of life.

Sincerely,

Raul E. Rosas
Executive Director

Javier Lecha
President of the Board
