

Empowering A Liberating Lifestyle

WHILL

Personal Electric Vehicle

MODEL M | For non-ambulatory users

Rx Only

Boundless possibilities.

We set out to redefine a power wheelchair, to give you the confidence to go anywhere in style and comfort. It's a thrilling ride, one that will surely put a smile on your face.

The Model M makes you feel empowered, and eager to take on every opportunity life offers.

A uniquely versatile electric vehicle.

Through ingenuity and intelligent design, we've created a functionally balanced electric vehicle (EV) that will give you the drive of a lifetime.

Its compact design easily fits through doorways yet it is powerful enough to speed up inclines. Precision steering allows you to easily maneuver around the kitchen. And our powerful electric motor provides exhilarating acceleration.

The unique power sliding seat feature positions users at a natural, close position to tables.

A personal EV that leads the way.

The Model M is a sleek, innovative Electric Vehicle (EV) that incorporates all the features of a powered wheelchair. It instills confidence, and encourages you to feel excited about socializing with friends and family.

Patented Omni-wheels are engineered to turn on a dime, yet tackle difficult terrain.

Agile indoors, epic outdoors.

Reach top speeds of 5.5mph, and drive up to 15 miles on a single charge. With the Model M's range and power, you'll have no trouble traveling where life takes you.

Safety and comfort.

Moveable armrests and a power seat slide make for safe transfers in and out of Model M. Specially designed seat and back cushions provide outstanding comfort and support for all day use. And our pelvic stabilizer safety belt ensures a safe ride.

The smooth, responsive controller empowers you to navigate tight spaces easily and with confidence.

Stop on hills with our advanced electromagnetic auto-locking braking system.

With the seat forward and the arms and footrest up, transferring is barrier free.

Highest product quality backed up with a 5-year parts warranty.

Derived from our automotive heritage, we designed and engineered the Model M to achieve the highest product reliability in the market.

Our 5-year parts warranty demonstrates our commitment to providing products with outstanding reliability. Our goal is to exceed your expectations.
